Dear Ms Trenhaile and Club Blue,

On behalf of Children's Safe Harbor Staff and Board of Directors, I would like to express our appreciation to you and Club Blue for our recent grant award of \$11,485.76 from the Club Blue COVID-19 Relief Fund.

This grant has been specifically allocated to support an additional security officer on site during the provision of our services for the next several months. We have had to pivot how we do things to ensure that we are not placing adults or children at risk of harm from ongoing abuse and COVID-19. This additional security officer provides us with piece of mind and protection during this strange time.

Once again, thank you for your contribution to Children's Safe Harbor.

Sincerely,

Megan Brechon
Executive Director
Children's Safe Harbor
